Saturday, March 3rd, 2012 6:00 to 9:00 p.m.

NO EXPERIENCE NECESSARY! You've seen curling in the Olympics, here's your chance to give it a try. Join us for an evening of curling and socializing! What is curling? Well, a team is called a "rink," you play on a "sheet," you throw "rocks" at "houses" and "stealing" is illegal...AND socializing is mandatory! We (or more likely the on ice coaches) will teach you everything you need to know. Includes brooms, rocks, munchies, and beer.

Hosted by: Rita & Steve Arndorfer and Kim & Todd Killian

Cost: \$45 per person

40 spaces available (Minimum of 24 required)

Saturday, June 16th, 2012 5:30 to 7:30 p.m.

Enjoy an early evening bike ride with brews through downtown with a group of soon-to-be "best friends." Just after the first week of summer vacation, we're sure you'll need a much deserved break! The PedalPub is a fun way to experience downtown Minneapolis with the SJB community and take in various stops for refreshments. While riding, you are free to "wet your whistle" on a beverage or two as well! What's not to love?

Hosted by: PedalPub Cruisers of SJB!

Cost: \$40 per person

14 spaces available (Minimum of 10 required)

STUDENT ART

1ST GRADE

"Masterpieces by Matisse"

The first graders learned about artist Henry Matisse and how he made art using cutout paper. Each group was given samples of wallpaper to cut and a template for their project theme. The small pieces of paper were intricately laid out to become an amazing composition. These unique vases and trays will compliment any home.

3rd GRADE

"Magnetic Memo Boards"

The third graders took a "crafty" twist to their art project this year. Using vintage frames, material, ribbon, and paint they have "crafted" a decorative yet useful combination magnet/chalkboard. This board is great for displaying art work or pictures as well as keeping track of papers, and writing a quick to-do list or note. Students painted wooden letters and added magnets to the back to use for spelling out fun words or phrases; they also made cloth covered magnets to hold your favorite pictures or artwork. Each board is unique in style and color; and we are sure there's one that would look great in your home.

7th GRADE "Mosaic Tables and Trays"

Designed by our spectacular seventh grade class, these mosaic tables and trays were expertly crafted using glass, ceramic and clay tiles. Working in teams, each group developed a theme and then selected colors that would best embody their vision. Tiles were then smashed, clipped, positioned and glued onto a base structure and the secured with grout. Each of these exclusive designs represents a great amount of collaboration and serves as a functional conversation piece for any room of the home.

Miss Kern, SJB music teacher, has graciously shared the talents of her mother in many quilts donated over the years! However, this one tops the charts. Joanne Kern will make your child's grade school t-shirts into a memorable quilt to be loved for many years to come. Choose 20 of your favorite t-shirts and an accent color of your choice and you will receive a one of a kind quilt that displays your child's grade school memories. Finished quilt will be roughly the size of a twin bed comforter.
